## Preheat the oven to 240°C/220°C fanforced. Finely chop the garlic (or use a garlic press). Slice the carrot (unpeeled) into 1cm thick rounds. Cut the red onion into 2cm wedges. Cut the tomato into quarters. In a large bowl, add the garlic, tomato paste (see ingredients list), Italian herbs (see ingredients list), brown sugar, balsamic vinegar, salt (for the chicken) and a good drizzle of olive oil. Add the chicken thigh,

season with **pepper** and toss to coat. Bring a

Add the **potato** to the saucepan of boiling water and cook until easily pierced with a knife, **10-15 minutes**. In the last **6 minutes** of cook time, place a colander or steamer basket over the saucepan and add the **green beans**. Cover the green beans with a lid and steam until tender. Transfer the beans to a bowl and season with **salt** and **pepper**. Toss to coat and cover to keep warm. Once the potatoes are tender, drain and return to the saucepan.

2 BAKE THE CHICKEN
In a large baking dish lined with baking paper, place the carrot, onion and tomato.
Drizzle with olive oil and season with salt and pepper. Toss to coat and spread out evenly.
Arrange the chicken thigh over the veggies and bake until the veggies are tender and the chicken is cooked through, 20-25 minutes.

\*TIP: Chicken is cooked through when it is no longer pink inside.

\*TIP: The chicken and veggies may char, but this just adds to the flavour!

**3** PREP THE POTATO & BEANS While the chicken is baking, peel the **potato** and cut into 2cm chunks. Trim the **green beans**. Pick the **basil** leaves and thinly slice.

MASH THE POTATO
Add the butter, milk and salt (for the mash) to the saucepan with the potato. Mash with a potato masher or fork until smooth.

Thickly slice the chicken. Divide the mashed potato and green beans between plates. Top with the Italian chicken and veggies. Spoon over the juices from the baking dish and garnish with the basil.

**ENJOY!**
